RE: St. Roch Pathway

Dear Ms. Lang,

The Office of Recovery Management (ORM) is pleased to support the St. Roch Pathway in the St. Roch Target Area. We have obligated up to \$400,000 to construct a pathway and associated amenities on the median of St. Roch Avenue from Marais Street to N. Roman Street. Our office supports the coordination of plans for amenities such as landscaping and artwork with Tulane University's Partnership for an Active Community Environment (PACE) project, the Faubourg St. Roch Project, and the City's Department of Parks and Parkways and Public Works.

I am happy that our contribution will help serve the larger vision that the Faubourg St. Roch Project is working towards in the St. Roch Target Area. Thank you for your dedication and time to rebuilding the City of New Orleans.

Sincerely,

Edward J. Blakely
Executive Director
